

## DEPARTMENT DETAILS

### Introduction /Overview

Our Department of Surgery is responsible for providing surgical care, education, research, and often leadership in surgical innovation. It plays a critical role in the diagnosis, treatment, and management of diseases or conditions that require operative intervention as the college was opened on 2017 with occupancy of 100 seats afterwords 50 seats added under EWS scheme.till 2022 our department running with 4 FCPS,on 2023 9 post graduate seats aloted by NMC.we are also directing CCMP bridge course along with nursing teaching.

### Objectives

Teaching and training of medical students and residents in the fundamentals of general surgery.

Develop skills in preoperative, operative, and postoperative patient management.

### Mission

#### Is to Provide

- 1) Provide High-Quality Surgical Education
- 2) Deliver Exceptional Patient Care
- 3) Advance Surgical Research
- 4) Foster Professionalism and Ethics
- 5) Engage in Community Service
- 6) Emphasize Interdisciplinary Collaboration

## List of Teaching Faculties

Sr. No.	Name of Faculty	Designation	Qualification	Total Teaching experience	Photo
1	Dr Maruti Pote	Professor and Head of department	MBBS MS	20 yrs	
2	Dr Sangita Gavit	Associate professor	MBBS MS	13yrs	
3	Dr Rohan Patil	Associate Professor	MBBS MS	5yrs	
4	Dr Milind chaudhari	Assistant Professor	MBBS MS	8 yrs	
5	Dr Sameer chaudhari	Assistant Professor	MBBS MS	7 yrs	
6	Dr Ishwari Bhombe	Assistant Professor	MBBS MS	2 yrs	
7	Dr Mahendra Mal	Assistant Professor	MBBS MS	2 yrs	

### List of non-Teaching Staff

Sr. No.	Name	Post
1	Kishor Awhad	clerk

### Activities by Department

**Post Graduate Activities(weakly)**

**Different diagnostic camps at pereferies(Hydrocele,Hernia camp)**

**Non communicable Disease camps( BMI camps)**

**Breast Awarness camps**

**Best Practices/ facilities/Services offered by Department.**

**Urosurgeries:-TuRBT,TURP**

**Prostatectomy,orchiedectomy,varicocelectomy, circumcision,penectomy**

**Oncosurgeries:-Lumpectomy,mastectectomy,sentinal lymph node biopsy,Axillary lymph node biopsy dissection,Gastrectomy,Colectomy( R & L Hemicolectomy) Proctectomy**

**Paediatric surgeries:-circumcision, cong hernia repair,**

**General surgeries:- Open Appendectomy,open Cholecystectomy,hernia repair( inguinal,umbilical,femoral, incisional hernia)Bowel resection,Splenectomy,distal**

**Pancreadectomy,thyroidectomy,parathyroidectomy,cyst excision,wound debridment,incisoin and**

**dranage,hemorrhoidectomy,fistulotomy,fissurectomy,pilonidal cyst surgery.**

**Laposcopic surgeries:-Laparoscopic cholecystectomy,laproscopic**

**appendectomy,laproscopic hernia repair,lap Adhenolysis,lap bowel resection etc**

### List of Publications and Research (Faculty wise)

Sr. No.	Publication in Vancouver Style	Indexing System
	<b>Dr Maruti Pote (Professor and HOD)</b>	

1	Comparative evaluation of povidone iodine and human placental extract for treatment of sup.burn	National journal
2	Prevalence of hiv +ve patient in General surgery	National journal
3	Hydrotheraphy for spontaneous passage of ureteric calculi-an experiment at tertiary care centre.	International journal
4	Role of minimal invasive surgery in gastric neoplastic disease.	International journal
5	To study the spectrum of breast diseases in reproductive age group in rural area	International journal
	<b>Dr Sangita Gavit (Asso Professor)</b>	
1	Hooking of oil cords makes congenital inguinal hernia single stitch	International
2	A Study of risk factors,Early evolution and management of Duodenal ulcer perforation Peritonitis	International
3	To Study he spectrum of Brest Dieses in reproductive age: A study conducted at tertiaary care	International
4	role of laparoscopy in Early center diagnosis and further management: in a case of Acute Appendicitis	International
5	To Study the management of Fistula-In- Ano: An Experience at tertiary care center	International
6	To study the management of acute and complicated appendicitis:Trands-abdominal drain after surgery can minimise the post operativ pain	International
7	Association of Red Cell Distribution width in Aduits RT-PCT Positiv Hospitalised Moderate to severe patients with COVID-19	International
8	Isolated Primary Hydatid cyst of kidney, A case of asymptomatic patient	International

9	Surgeries at Rural Hospital: From "Chekmate" to solution	International
10	Verrucous carcinoma: Unusual presentation	International
	<b>Dr rohan Patil (Asso-Professor)</b>	
1	Study and Evalution of the Practice of Peripheral intravenous Cannula amongst interns in Various Hospitals Of Maharashtra	National journal
2	Study of role of preoperative colonoscopy in patients with haemorrhoids at a tertiary hospital	National journal
	<b>Dr Milind chaudhari (Assistant Professor)</b>	
3	comparison of sentinel lymph node biopsy versus four node sampling for mangement of carcinoma breast	National journal
4	study of different methods of post mastectomy breast reconstruction	1-6 index copernicus
5	study Of clinical profile of patients with bile stone att tertiary health care centre	
6	study of clinical factors associated with in healing ulcers at t tertiary heaith care centre.	
7	hydrotherapr for spontaneous Passage of uretric calculi: experience in tertiary health care centre.	
8	study of oral malignacies in rural areas, efficieny of sentinel lymph node biopsy in detecting axillary metastasis in breast cancer using methylene blue	Scopus
9	correlation ultrasonography finding ofa acute appendicitis with pathological aute appendicitis	Pubmet

10	correlation of alvarodo score for acute appendicitis tith pathological acute appendicitis	Pubmet

## Achievements/ Awards

**1) 3 post graduate Students of our department presented there paper at MASSICON Kolhapur**

**2) 2 post graduate Students presented poster at MASSICON Kolhapur.**
